MENTOR PROGRAM FOR FEMALE TALENTS IN IT

WHAT IS EXPEDTED FROM YOU AS A MENTOR?

- Willingness to be a sparring partner and share experiences and knowledge from your work in the IT sector
- Being a leader and/or having a strong leadership career in the IT industry. However, having an IT education is not a requirement
- Being available a minimum of 5 times during the year (in person or virtually)
- Having a desire to promote diversity in the industry by motivating female talents to develop and sustain a career in IT

WHAT CAN YOU GAIN FROM THE MENTORSHIP PROGRAM?

- Contributing to the promotion of diversity in the industry
- Gaining perspectives and insights from younger talents
- Self-reflection regarding your own professional life
- The opportunity to give back to the industry
- Expanding your network among younger talents in the industry
