

YITP NETWORK AMBASSADOR

3 BENEFITS OF BEING A YOUNG IT PROFESSIONALS AMBASSADOR:

CLOSER COLLABORATION WITH YITP

Ambassadors will be assigned a member of the YITP board as a direct contact person, who can assist and support the ambassador.

SEMI-ANNUALLY AMBASSADOR MEETINGS

Twice a year, ambassadors will be invited to a Ambassador meeting. The meetings will focus on the present and future collaboration.

PREFERENCE ON NETWORKING EVENTS

You will have the chance to promote your organization through hosting or suggest speakers from your organization to our YITP events.

What is expected from an ambassador?

Be an active part of the network by promoting events in your organization, participating in semi-annual meetings, and collaborate with your contact person in the YITP board.
